GENERAL SHOW RULES

Exhibitor Eligibility

1. The Blanco County Youth Stock Show is open to all active and eligible members of Blanco Co. 4-H programs and FFA programs as defined by those organizations' guidelines for membership. Under the rules and regulations for these organizations, no exhibitor shall be allowed to enter projects in another county's show.
 - A. Exhibitors must be enrolled in 4H or FFA by the date of validation for their species or as of October 30th, whichever comes first. The exception to this will apply to new/transfer students and steer exhibitors only. For steer exhibitors, enrollment into either FFA or 4H MUST be completed within 30 days of open enrollment for the current school year.
 1. Exhibitors who are not enrolled in 4H or FFA at time of validation will NOT be allowed to validate their animal.
 2. It will be the responsibility of the County Extension Agent or Ag teachers to provide the list of enrolled members to the appropriate Board Rep/Superintendent prior to the validation for each species.
 - B. Exhibitors must attend 50% of all scheduled meetings for their enrolled club/chapter in order to be considered an "active member" and be eligible to show. It is the responsibility of the exhibitor to know when and where these meetings occur and make every effort to attend. It will be the responsibility of the CEA and AST's to provide the board with meeting attendance rosters at the time of No Pass No Play for verification of compliance.
 - C. Exhibitors who do not meet these requirements will NOT be allowed to show.
2. The exhibitor and their projects will not be allowed to participate in the County Youth Show if all academic requirements are not met as outlined by the Texas Board of Education. Validation of exhibitors will be the responsibility of the County Extension Agent or Agricultural Science Teachers. The Ag Science and County Extension Agents will notify the Board of Directors prior to the check-in time of those exhibitors ineligible for participation in the show. Exhibitors ineligible at check-in time are ineligible for participation in the county show. Those exhibitors deemed academically ineligible may not have their entries changed to a sibling's name under late entry for any reason.

Substitute Exhibitors:

3. Only exhibitors who meet the eligibility provisions of sections 1 and 2 above –and- have an entry in the stock-show may serve as a "Substitute Exhibitor".
4. A Substitute Exhibitor may only be used in the event that an exhibitor has multiple projects in the same class. This includes entries being shown in grand and reserve selection classes for division champion, breed champion, or grand champion.
5. In the event that a substitute exhibitor is required due to extenuating circumstances such as a documented physical affliction or ailment preventing effective ability to present their project, conflict with school activity, or other situations which prevents the exhibitor from being present, on the grounds, at the time of their respective class. These situations should be communicated to the Superintendent and/or the ring assistants prior to the start of the class. The Superintendent will have final approval for any substitute exhibitor. Simple communication does not imply approval.
6. Every effort should be made by the entered exhibitor to show their own animal when possible.
7. Failure to meet these requirements may result in disqualification of the entry being exhibited by the substitute exhibitor.

Arrival and Departure Information

All projects will arrive and check-in/weigh-in in accordance with the posted schedule unless notified otherwise by the BCYC prior to the show. Any changes will be communicated to the CEAs and Ag teachers if made.

All livestock trailers and haulers should park in the parking area to the West of the show-barn (rodeo parking area). Sheep, Goats, and Steers should be unloaded in the parking area and led into their respective barn through the West doors. Poultry and Rabbits can be unloaded and brought in to the barn via the South doors. This change will allow for more parking for spectators and also cut down on congestion and cleanliness of the south entrance.

Once an animal has crossed the scale and/or checked in, no substitute/replacement entry will be allowed. This includes, but is not limited to, animals that die after check-in or do not meet weight requirements for their respective weight requirements.

ALL **swine** exhibitors MUST have the attached entry card filled out **prior to unload** with ear tag number and exhibitor's name. (A copy of this form is below is on page 21.) Any trailers/exhibitor arriving without this information will go to the back of the line – NO EXCEPTIONS. All tags must be clean and clearly legible.

Pen assignments will be made by the Division Superintendent and will be made available to each exhibitor at check-in. Every attempt will be made to distribute pen assignments before the show to the CEA or Ag teachers, however last-minute changes may be necessary and the Superintendents reserve the right to re-assign pens at any time. Note that the wash racks are not an assigned pen and are not to be used for staging animals for entry into the show ring.

All animals must be checked in, or in line for check-in, by the cut-off time for that division. Late arrivals will not be allowed to be checked in unless mitigating circumstances exist and check-in is approved by the Superintendent for that division.

Once checked in, animals led outside of the barn or designated exercise area prior to/during their respective division will be subject to disqualification from the show.

Departure

Exhibitors may only remove/load out their projects from the facility after the completion of their respective divisions (this includes Grand/Reserve/Showmanship classes) –**AND-** completion of their disposition form(s) in the office. **DISPOSITION OF EACH PROJECT IS MANDATORY.** All animals must be removed from the Show Barn no later than 9:00 pm on Friday evening. Shop projects and Exhibit Hall entries in the silent auction are to remain until after the sale begins. Exhibit Hall projects not included in the Silent Auction must be removed no later than 5pm on Friday evening.

Project Eligibility

1. Each project must be under the supervision of the County Extension Agents or the Agricultural Science Teachers. The project should reside within the boundaries of Blanco County and/or the boundaries of the Blanco ISD or Johnson City ISD in order to be eligible for entry. The only exception to this rule will be for exhibitors whose parents are employed by one of the districts and reside outside these boundaries. In those cases, those projects may be kept at the exhibitor's place of residence in lieu of a location within the districts' boundaries.
2. Each project must be validated for purposes of ownership in accordance with the current year's requirements and deadlines as prescribed by the State.
3. For tagged animals, ear tags must be readable and be of the current tags issued that year for validation for that species. Either outer ear tag or inner button should be readable if issued.
4. Exhibitors will not be allowed to enter or validate animals from previous years.

Showmanship Competition

1. Exhibitors with entries in the show are eligible for a showmanship award.
2. Substitute exhibitors who do not have an entry in the division are not eligible for showmanship in the division for which they show. (i.e An exhibitor with only a swine entry, but serving as a substitute exhibitor in the goat division will not be eligible for goat showmanship)
3. Showmanship competition is voluntary.
4. Exhibitors are responsible for signing up under the correct division and acquiring a number from the designated location. That number will be used throughout the stock show for the divisions in which showmanship is judged.
5. Showmanship Divisions are:
 - Junior Showmanship Division – Grades 3-8
 - Senior Showmanship Division – Grades 9-12
6. Exhibitors will be judged by a designated judge while showing their animal. Those selected will to be called back for a showmanship class for their respective division. The Jr. and Sr. Showmanship classes will be performed following the Grand & Reserve Champion drive in each Division and will be judged by the showmanship judge for that species.

Entry Fees/Forms

1. An entry fee of \$10 for each project is due at each species validation deadline or poultry order date. All entry forms must be completed and turned into your AST or CEA by December 1st with the exception of Rabbit entries which will be paid for and entry forms completed on their validation date. Once an entry is submitted, changes will not be allowed outside the original entered division. A project can be entered only one time. Entries are specific to an exhibitor not a family.
2. Entries paid for after the species validation deadline or poultry order date will be subject to a late fee of \$50 in addition to the \$10 entry fee. Late entries will be taken until Noon Saturday, January 10, 2015. Late entries WILL NOT be accepted without a signature from the CEA or AST.
3. Entry forms will be due by December 1st and must reflect the correct name and number of entries for each species according to entry fees paid at time of validation. At this time the number of

entries per species will be declared for each member of the family. Addition of names or animals after this date will be considered a late entry.

4. Corrections to the entry form may not be made after 11:00 am on check-in day, Thursday, January 15, 2015. Corrections that constitute the addition of an animal or project not previously entered will be considered a late entry.
5. Entries are non-refundable.
6. Projects entered by an individual who fails to meet the requirements set forth under “Exhibitor Eligibility” portion of this rulebook, including “active member” and “No Pass, No Play” are not eligible for late entry by other individuals, including siblings.

Exhibitor Responsibilities

1. Each exhibitor shall complete and sign the enclosed Validation/Ethics/Rulebook confirmation form acknowledging they have received and/or reviewed a copy of the current year’s rule book at the time their projects are validated. This shall serve as acknowledgment and understanding of the rules.
2. At the time of validation each exhibitor shall complete or update the fore-mentioned form for location of their project.
3. Each exhibitor is responsible for having their projects in place according to the scheduled check-in times for that project.
4. Each exhibitor will be responsible for feeding and watering their animal(s) until removed from the building.
5. Each exhibitor is responsible for knowing the tag numbers for their animals from time of check-in to time of removal from the barn.
6. Each exhibitor is responsible for removing their animal(s) from the building no later than 9pm Friday evening of the show, and only AFTER their respective divisions have been completed –AND- disposition forms completed. (unless approved by the board)
7. Each exhibitor and/or their parent or guardian is responsible for disposition of their animals for sale purposes by notifying the main office and completing the necessary paperwork within one hour of completion of their division. In the event that an exhibitor has projects across multiple divisions, and has qualified more than one project for the premium sale, they must notify the main office of their intentions no later than one hour after the completion of the last show on Friday evening. The division superintendent will make the decision of the disposition of a project if the exhibitor has failed to make their intentions known, which can and may include “NOT IN SALE”.

Definition of Disposition (See also “PREMIUM SALE GENERAL RULES”)

Each exhibitor MUST have a disposition sheet filled out for each project; this sheet is initialed by the exhibitor or the parent/guardian. The “definition of disposition” is what an exhibitor intends to do with his/her project at the conclusion of the show. Disposition will tell the office which unit is to be entered in the catalog for sale, and which entry is not.

Ethical behavior

1. Each exhibitor shall agree to the Texas 4-H/FFA Livestock Program Ethics form, page 18, when they sign the Validation/Ethics/Rulebook acknowledgement form.
2. Any exhibitor caught abusing or otherwise exercising inhumane treatment of their own or other's projects will be disqualified from the show.
3. Failure to follow the rules outlined in this rule book or Ethics policy may result in disqualification and/or the exhibitor may not be allowed to show or sell their projects. The Youth Council reserves the right of judgment and enforcement in each case.
4. Each project shall be subject to investigation of any first-hand witness of unethical fitting or alteration practice by the Blanco County Youth Council. Animals that have been given any form of intoxicating beverage, tranquilizer prior to judging will be disqualified. Any product administered internally or externally to alter the appearance or conformation of an animal for exhibition is prohibited and will be

cause for disqualification. This includes but is not limited to stomach pumping, airing injections, blocked shearing techniques, and/or drenching with carbonated beverages. This does not include products such as Calf-Calm, Pig-Calm or those approved for major stock-shows. The use of non-agricultural approved grooming products, graphites, dyes, hemp, false tail-heads, glued on hair, or hair-like substances, or other similar substances externally is prohibited. The Blanco County Youth Council Directors can/will verify these activities by examination and/or use of veterinary analysis and/or state approved resources.

Drug Use

All market animals and poultry must be free of illegal drugs and not within the withdrawal period of any chemical. Any exhibitor whose animal is condemned during slaughter will forfeit the total proceeds of that animal. It is the sole responsibility of the Exhibitor to insure that their project is free of prohibited substances and unethical fitting practices. The Exhibitor shall have sole responsibility for providing security for their project(s) to prevent introduction of substances or practices which may violate these rules.

Bedding Materials and Use of Hay

1. Bedding Materials will not be provided. Exhibitors are encouraged to bring shavings for their animals.
2. Animal exhibitors will not use straw or hay for the bedding of any animals.
3. Feeding of small amounts (flake or less) of hay will be permitted as long as the amount of hay offered is completely consumed and no large bales of hay are brought inside the barn at any time. Any unconsumed hay shall be removed from the barn immediately.

Weigh-In and Re-Weighs

All animal weights are official at the official weigh-in time. No re-weighs will be permitted on market steers, lambs, goats and hogs. A five-pound tolerance will be allowed on the **minimum** for lambs, goats and hogs. A five-pound tolerance will be allowed on the **maximum** for hogs.

Clipping of animals

1. There shall be no clipping or trimming of animals in the show barn at any times.
2. Lambs must be shorn slick to the skin above knee and hock joints before arrival on the grounds.
3. Goats must be shorn slick, with no indication of blocking, to the skin above the knee and hock joints to include the head, excluding the tail switch, before arrival on the grounds.
4. Any sheep or goat presented with inconsistent shearing patterns over the loin edges or belly lines of these animals shall be considered illegal blocking/fitting of the animal and will be dealt with according to the rules regarding unethical fitting.
5. No fitting, trimming or blocking tables will be allowed in the barn at any time.
6. Use of blowers will be permitted in a designated area ONLY.

Indemnity and Enforcement of Rules by Youth Council

Each exhibitor shall guard, protect or preserve their projects as the Blanco County Youth Council does not undertake to do so. The Directors will not be responsible for any loss, damage or injury to projects, owners or spectators.

Activities Not Related to the Youth Show

Any activity that affects the operation of the show and sale must be presented to the Youth Council Directors for their approval and endorsement.

Proposals for changes to these rules should be directed to the BCYC Directors AND presented in the BCYC Annual meeting. Adaption of the rule changes will be made by vote at the first regularly-scheduled directors' meeting following the Annual Meeting.

PREMIUM SALE GENERAL RULES

1. All animal projects, except steers, must place in the top 80% of its class to qualify for the Premium Sale.
2. Each exhibitor may sell no more than 2 qualified projects in the Premium Sale. An exhibitor may qualify more than 2 projects, however the total number sold in the Premium Sale by each exhibitor may not exceed 2.
3. An exhibitor may sell 2 projects provided one of the projects placed 1st or 2nd in its class and the other project placed in the top 80% of its class. **EXCEPTION:** Each steer exhibitor may sell one steer. They may sell a second steer if the first steer places 1st in its class or is the Reserve Grand Champion overall of show, and the second steer must place in the top 80% of its class.
4. In the event that an exhibitor qualifies with more than 2 Grand and/or Reserve Grand Champions, the exhibitor shall disposition which 2 projects he/she wants to sell. The additional Grand and/or Reserve Grand Champion sale position(s) may be used to benefit the BCYC Scholarship Fund.
5. Exhibitors must be present to sell their projects unless arrangements have been made with the Division Superintendent regarding someone to go through the sale for them. If this rule is not complied with, the project may not be sold.
6. In order to reduce stress on animals and move the sale along at a quicker pace, exhibitors only will be going through the sale ring.
7. All exhibitors will be assigned a number.
8. Gifts for the buyers through the sale ring will not be permitted.
9. No animals not making the Premium Sale may be bought through the Youth Show.
10. Exhibitor Auction Add-On deadline is five (5) working days following the sale (Friday following the sale at 5 pm.)
11. Exhibitors are required to present ALL buyers for their projects with "Thank You" notes within 90 days of the Sale (April 17, 2015). Thank you notes must be verified by club/chapter leaders in order for checks to be released to the exhibitor. If unable to complete this task within 90 days, all money for that project will be returned/refunded to the buyer(s).
12. Exhibitors will have 90 days from the date of their check release to cash/deposit their checks. If unable to complete this task within 90days, all money for that project will be returned/refunded to the buyer(s).

COMMISSION FEES

A 5% commission fee will be deducted on all premium sales. Such fees will be used for capital improvements or at the discretion of the Youth Council.

2014-2015 TEXAS 4-H/FFA LIVESTOCK PROGRAM ETHICS POLICY

County Name: Blanco

This ethics policy applies to any 4-H/FFA member planning to exhibit animals at livestock shows in Texas. It includes Junior as well as open class exhibitors who compete in structured classes of competition. All classes of livestock offered at the livestock event are included: Cattle (Beef and Dairy), Goats (Angora, Boer, dairy, meat, Cashmere), Equine (Horses), Llamas and other specialty animals, Poultry, Rabbits, Sheep, Swine, and any other livestock classes offered. This "Texas 4-H/FFA Livestock Program Ethics Policy" will be enhanced with additional rules and guidelines which individual fairs and livestock shows adhere to on the local, county, state, regional, and national levels.

The following practices or procedures are unacceptable and are defined as being deceptive, fraudulent, unethical, and inhumane in the care, fitting, preparation and showing of all classes of livestock. The use of any illegal drug is prohibited. Any substance used to phenotypically alter the appearance of an animal entered in livestock events is prohibited. (See Guideline #5).

Proof of any animal being subjected to illegal and/or unethical practice(s) and/or procedure(s) described herein subjects the animal to immediate disqualification. The animal is ineligible for exhibition at any livestock show on the local, county, state, regional and national levels. The exhibitor will forfeit any premium, awards, or auction proceeds, and may be prohibited from future competition at livestock shows in Texas, as well as being subject to potential criminal prosecution.

The following is a listing of guidelines all 4-H/FFA exhibitors must follow to enter livestock at organized competitive events.

1. Exhibitors must be bonafide members of a 4-H Club or FFA Chapter in the state of Texas and care for their animals under the direct supervision of a County Extension Agent or Agricultural Science Teacher. Exhibitors must be enrolled in, and attending, public or private and/or home school elementary or secondary schools in Texas. Exhibitors must be between the ages of 9 (or 8 and in the 3'd grade) and 19.
2. 4-H members that plan to show horses at any of the twelve district and/or the Texas State 4-H Horse Show should submit a signed copy of this Ethics Policy with their entry forms. While items 3-9, listed below, do not apply to the horse project, there are specifics on ethics in the publication Texas 4-H Horse Show Rules and Regulations (AS 3-2.043) that do apply. The Texas State 4-H Horse Show and all of the district horse shows are conducted under the rules and regulations contained in this publication and 4-H'ers are expected to comply with those rules regarding ownership, management and treatment of horses.
3. All exhibitors must have viable proof (Junior division) of ownership available to prove length of time animals have been owned. Market animals (Beef, Sheep, Swine, Goats) must be owned and under exhibitor's daily care by the following deadline dates: June 30 -Steers, October 31 -Sheep and Goats, November 30 -Hogs, to be eligible to participate at any major livestock show within Texas. This also includes all small market animals (Rabbits and Poultry). The official ownership date is the date shown on the bill of sale or receipt of sale, unless the animal was bred by the exhibitor, in which calving or birth records will be utilized. (Individual show rules may determine ownership requirements for non-market animals.) Registered breeding livestock must show the exhibitor as the sole owner of the animal on the breed association papers or certificates.
4. Exhibitors must continuously own and personally feed and care for their animal(s) throughout the entire feeding period. The feeding period begins with the specie validation date through exhibition at all shows. Prior approval must be granted by the specie specific county State Validation Committee in the event the animal will be outside the direct care of the exhibitor. The animal(s) may not be out of the exhibitors care for a period exceeding 48 hours. Exceptions may be made with approval from the specific county State Validation Committee.
5. No exhibitor may show a market animal which has been previously sold at a county, regional, or major livestock show or sale in which the ownership of the animal has changed hands after the state validation deadline for that specie. State validation deadline dates are as follows:

State Fair:

June 30 for steers, lambs, goats and swine

All Other Major Shows:

June 30 for Steers
October 31 for Lambs and Goats
November 30 for Swine

Market lambs and meat goats that sell at the State Fair of Texas are not eligible for further competition or validation in October.

6. Any method used to misrepresent the age of an animal for a class in which it is shown is deceptive and considered a violation of the rules and guidelines.
7. Showing an animal for another individual by claiming ownership in order to show in a specific livestock class or event is prohibited. False ownership is a violation of the rules and guidelines.
8. Treating an animal internally or externally, with any irritant, counter-irritant, or other substance used to artificially change the conformation or appearance of an animal for show is considered unethical, inhumane, and is prohibited. This includes, but is not limited to the use of graphite, air, powders, hemp, artificial hair coloring, common products such as fly spray, ointment or liniment used to the point that is irritating, (unless required to reduce edema at time of calving) or similar type products. The use of dyes, spray paint or other artificial coloring which result in altering an animal's true and natural appearance and/or color is prohibited. Adding false hair or hair-like material, fleece, or skin at any point, spot or area of the animal's body is illegal and will result in immediate disqualification.
9. Surgery, injection or insertion of foreign material under the skin and/or into the flesh of an animal to change the natural contour, conformation or appearance of an animal's body is illegal. This includes vegetable oil, air, silicon or any other substance used to alter the shape of the animal. Acceptable practices of physical preparation which are allowed include, clipping of hair, trimming of hooves, dehorning, removal of ancillary teats, and docking of tails.
10. The use of inhumane fitting, showing and/or handling practices or devices shall not be tolerated.
11. The Administration of the Texas 4-H and/or FFA Programs reserve the final and absolute right to interpret these guidelines and to arbitrarily settle and determine all matters, questions, and differences in regard thereto, or otherwise arising out of or connected with or incident to "Texas 4-H/FFA Livestock Program Ethics Policy".

Any violation of the "Texas 4-H/FFA Livestock Program Ethics Policy" or specific rules as designated by individual fairs and livestock shows may result in forfeiture of premiums and awards, disqualification, and may result in probationary status and/or loss of eligibility for future participation in organized livestock competition.

Possible civil penalties may be imposed by the proper authorities based on evidence provided by the livestock show of exhibitors in violation of the Federal Food, Drug and Cosmetic Act/or the animal mistreatment, neglect, and abandonment laws that apply on the local, state, and/or national levels. All rule violations will be dealt with on an individual basis by the specie specific county State Validation Committee, the State Validation Coordinators, and/or livestock show officials.

I am verifying that I have read the "Texas 4-H/FFA Livestock Program Ethics Policy" and understand the consequences of and penalties involved for illegal, unethical, inhumane, and unfair practices in livestock competition. I am also verifying knowledge that my family and I may be prohibited from future participation in organized validation programs in the State of Texas, and could face possible criminal prosecution and/or civil penalties if implicated in any of the aforementioned acts.
